Q-Are minutes going to be available for people that were not at the meeting?

A-We will put them up on the school's website under the school council.

Q-Can we get more info on the grade 6 Eco School?

A-We will have around 4 staff supervising. There will be hiking, rock wall, low ropes, campfire, girls and boys separate while sleeping with camp counselors supervising and teachers available. It was a really great experience last year.

Comment-The library looks great!

A-The library will continue to morph throughout the year. There is a lego table, soft colors, kids are fascinated with the typewriter

Q-During soccer, will they be teaching the kids or playing against other schools?

A-This is just teaching the kids. However, there is a basketball tournament against other schools each year and they are considering doing something similar for soccer. We might try to get a friendly match going against Colonel Irvine grade 7's.

Comment from Treasurer-We do fundraising outside of this meeting. People can email cambrian.schoolcouncil@gmail.com for more information. We'd love to have you join us.

Comment from Cambrian Heights Community Representative- There is a pumpin giveaway at the Community Centre on Oct 25 as well as a lego contest on Nov 15. Anyone can join. It will most likely be posted on the community outdoor board.

Comment from principals-We will put it in the school newsletter as well.
